## NATIONAL PRESIDENT'S MESSAGE

Howdy brothers and sisters. I want to start off by saying how relieved I am that brothers Craig Brutout and Jeff Woolf are alright. Craig was complaining of chest pain and went to the hospital and had quadruple bypass surgery just a couple weeks ago. During that same week Jeff had a small heart attack. Brother Chris Parks had already scheduled to have two stents replaced. So Winchester had a lot of worries in the month of January and I am glad that all made it through it. (I would like to know what kind of beer they drink that has so much cholesterol in it. LOL)

Back in May, my article was about heart health and I told the stories of the co workers that I lost and almost lost due to heart attacks. Due to the fast paced lifestyle, it is easy for us to eat out more often and that leads us to not eat healthier foods. A lot of us do not exercise like we should. And the fact that some of us are or are approaching an age that we are no longer young, and we think that pain in the arm or neck is a sign of getting old. These pains could be signs of a heart problem.

One of the common warning signs of a heart attack is chest pain. This may spread to the arm, neck, or jaw, with a feeling of tightness, burning, squeezing, fullness, or heaviness in the chest. Also chest discomfort with fainting, lightheadedness, nausea, shortness of breath, or sweating. Brothers and sisters, this is an issue that means a lot to me. Heart problems affect male and female alike. We cannot ignore these signs when they accrue. Go to the doctor and have them check it out. Its better to be safe than sorry. All of you are important to me and I don't want to lose you to a heart attack. Go to the American Heart Association [www.heart.org](http://www.heart.org) and learn more. I will now get off my soap box.

I would like to thank all the chapters that participated in the Steeple Chase weekend that we did back in January. I would also like to thank Jeff Woolf for his great organization of the event. I hope that this could be an annual event.

Brian Nelson

**National Vice President**

Hello to all and a Happy New Year. I recently attended the Fl Nu officer initiation and

it went well. The feeling I got was 2013 is going to be a good year in PDK land. I challenge all new officers to work hard to reap the benefits this fraternity has to offer. The SEC will work as well to promote brotherhood, community service involvement, leadership, and growth in membership. The first half of the year is always busy with installation banquets of new chapter officers and sweetheart balls to recognize individual chapter sweethearts.

The south has a couple of annual activities such as River Ranch in Februar. Fl Nu has the annual Luau party in March and in April we have Southern District and Spring SEC this year. The southern chapters are working hard to attend as much as possible other chapter functions, showing true brotherhood. I would like to be able to say I have seen all the chapters and attended a function there. This my goal in the upcoming time I have in SEC. Let everyone know what is going on in your area and this way new brothers can see first hand why they joined. I am hoping to promote the National Museum more because it is the heart and soul of this great organization. We always welcome our brothers from the north to get out of the cold and join us here in sunny Florida whenever they can.

To our National Sweetheart Diana Dull, hope to see you soon here in the south and have a great time at your sweetheart dance. 2013 will be as good as we make it and nothing short of fantastic should be what every PDK brother believes. Proud to be a Phi Delt. National Vice President Sam Agresti

**A Better Year**  
**Chris Parks**  
**National Master of Ceremonies**

Hello Brothers and Sweethearts! 2013 is finally here! Jacki and I have decided this has to be a

better year after the one we just had. As most of you know, we had quite a time with her dad Brother Lee Stonerock with the cancer then having his leg amputated. We also had Brother Vergil Stonerock pass away, then to top off the year, a week before Christmas we had one of our two month old twin granddaughters in the hospital with RSV for five days. We get her home and her sister contracts it and she's in the hospital for two days. What a year; glad it's over!

I think it's time for a vacation. We're thinking River Ranch for starters, then maybe a couple of days over to St. Pete might just do the trick. A trip to the south to visit our Brothers and Sweetheart always sounds good especially when we have a foot of snow on the ground and 15 degrees out-

side. That's the life of living up north.

So how are things going in the fraternity? Well, I wrote an article awhile back on a growth plan for our chapters and I never thought I'd be writing that our Brothers at Florida Mu took it to heart and surpassed it with the addition of three new Brothers! That is a major accomplishment for them! I would like to personally congratulate them! Keep up the good work. By building your chapter, you're helping to build the fraternity. Brothers follow Mu's example: ten percent growth by July! In the end, we will benefit.

"How will my actions today reflect on our fraternity tomorrow?"

**Jeff Woolf**  
**National Auditor**

Greetings Brothers and Sweethearts,

We are deep in the midst of winter here in the north, and it has already been a much colder and snowier winter than the last. I hope all are staying warm and cozy. February for me means Indiana Basketball, which has become fun to watch again, and wrestling, with a grandson wrestling college, a second grandson on a varsity high school team and a son-in-law a varsity coach. That consumes a lot of my time. I am not complaining, mind you, just explaining. I truly enjoy both.

February is also the time of year we honor our sweethearts on Valentine's Day. Be sure to tell your valentine how much she means to you. There is a country song currently playing that has a line "overuse I love you." That sentiment makes a lot of sense to me. You can never tell someone too many times that you love them. A constant reminder only strengthens the bond you share and diminishes any doubts. Go tell them now. I will still be here when you get back. Even if it is tomorrow.

Much the same can be said about the brotherhood we share as a fraternity. Each time a new member is initiated, we re-affirm our own vows. This can only fan that spark that made us want to be Phi Delts in the first place. Re-committing to the oath of brotherhood and goodwill for our brothers. Attend as many meetings and initiations as you are able, and you may find a reason to be even more involved in what your chapters are doing. One of the truest expressions is "You reap what you sow." Extend your hand and make all your brothers feel welcome, and they in turn will respond with a smile that will warm your heart. It is an easy task and you can make a difference in someone else's day and your own as well.

Maybe by the next magazine, spring will have sprung and all our spirits lifted. Until then, stay safe and warm. Kiss your sweetheart and hug a brother when you can.

**SERGEANT-AT-ARMS**

Welcome from the Hospitality Chapter

It's hard to believe that the New Year is well u n d e r -

way. February brings with it Groundhog Day when our Indiana Chapters are hoping for an early spring so that they may put away their snow shovels. Florida chapters are asking, what are snow shovels? MS Alpha is stuck in the middle and just wants to see green grass and BBQ season.

Then comes Valentine's Day when our chapters honor their SweetHearts who have given many hours of dedication and support. I want to thank our National Sweetheart Diana Dull who is doing an outstanding job and making a difference for Phi Delta Kappa in many ways. No wonder she's not only a girlfriend to all, but a true Sister.

Then it's President's Day when we honor President Washington and President Lincoln. These Presidents shaped this country to what it is today, much like the founding fathers of the PDK. Who knew that it takes integrity and the will to make sacrifices for the greater good of the organization? Like our nation the PDK is still changing and evolving into an organization more charitable in nature. We all still have a great time, now we know that true

brotherhood starts in our community. I welcome all brothers and sisters to feel free to write letters for the PDK Magazine. Let us know what is going on in your chapter house or a story you remember and want to share!

I look forward to River Ranch and visiting with Florida Alpha Lambda, Florida Mu, and Florida Nu and all others who attend. Like Brother Chris from FL-NU would say, I bet ya'll up north would like to trade weather 'bout now! Come on down and thaw out. Florida Nu will warm your soul.

Remember, if it is to be it is up to me! Proud to be a Phi Delta!  
 God Bless America!

**National Inner Guard**

Hello from the flagship of the south, I know in January that we have the privilege to install new chapter officers. I want to personally

thank them for having the courage to do what we all must do to ensure that each chapter grows and in turn the fraternity as a whole. I remember when I was first asked to sit in a chair, I thought NO-WAY, but I was also proud that my brothers thought enough about me to trust

that even I couldn't screw it up, at least not that much. Just remember to have patience and encourage them. They will do a fine job. I mean this in every chapter, not just at FL-NU. Always be willing to help them, as much as you are able to. The more new brothers who are tasked with a challenge, and given the support to succeed, the stronger we become. And when the time is right, the National Chairs could be the next step.

Don't forget that February is SWEETHEART month. I hope that we all do something special for our own Sweethearts, but also for our National SWEETHEART, Diana Dull. Also in February we have River Ranch on the 22nd and 23rd. I know Florida Alpha Lambda will do a great job. Plus I will get another chance to visit with as many of my extended family as possible. Get there early and bring your golf clubs, fishing poles and your drinking hats. LOL

Then in April we at FL-NU get the honor of hosting Southern District AND the Spring SEC meetings. They are on the 19th and 20th. Don't forget to reserve your spot on the chartered fishing boat on Thursday the 18th. Contact brother Ed Nault or myself for details. Jan and Kenny, see you there. More information about hotels and registration to follow. Whenever you get the chance to travel to another chapter, whether it be for a National event or just a social, just DO IT. You'll be rewarded with fellowship plus the chance to rekindle old friendships as well make new ones, with the memories that will last a lifetime. So are you a fan or an extinguisher?

**BRRRR!**  
**Bruce Smith**  
**National Outer Guard**

I write to you this month while the outside Indiana temperature is in the teens.

It seems like not too long ago we were complaining about the heat. You just have to love the climate changes that we get in the great state of Indiana, or complain about them or you move. We did receive some significant snow fall.

While I was out shoveling the beautiful white blanket off my driveway I thought of my granddad. He always used to tell me "The Good Lord put that snow where he wanted it and He will make it go away someday". I smile when I think of the times I was able to spend with my Granddad. He was pushing 40 when my mom was born. Heck, some people are grandparents when he fathered his first and only child. He was semi-retired and able to spend lots of time with my brother and me. He was at our house when we got off of the school bus. He would make sure my brother and I did not burn the house down and got our homework done. If we had practice, he would drive us there. My grandma was still working and we would pick her up every weekday from work, she never had the desire to drive so she never did.

Plymouth High School baseball games would not be missed. But high school basketball was his love. He and Grandma had season tickets right behind the scorer's bench. They had these seats at the old Centennial Gym and when Plymouth built the new gym he was given the same seats. Granddad was one of those guys who always kept score on the provided scorecard (remember those). He would check his card with the official scorekeeper at half time to see if the scorekeeper had made any mistakes.

He was able to see many great ball players in his day. His favorite was a guard and Indiana All Star Steve Phillips. Granddad was a janitor at the high school and would let Steve into the gym early to practice his shooting. Granddad sometimes would rebound for him and just hang out. Steve went on to play for Indiana State.

I remember being about 12 or 13 and riding down to Hinkle Fieldhouse in Indianapolis to watch a Butler and ISU game. Granddad was always early to sporting events. We found our seats and sat down to watch ISU warm up. Granddad says "Shoot, I don't see Steve I just don't see him. Do you?" Just then he hears a familiar laugh at the same time he was getting a tap on his shoulder. It was Steve. He saw us enter the gym and wanted to surprise granddad so he hid and waited for us to sit down. He came down from the bleachers above us to say hi to Granddad. They sat and chatted for quite some time. I

really don't know (but I could look it up) how many points Steve had that night, but I do know how it made my Granddad feel to be able to talk to his buddy.

Little gestures to Steve as a young ballplayer created a link that he and my granddad shared until his dying days. His favorite story was when Steve scored 8 points in just a few ticks of the clock. Steve made a lay-up and was fouled. He hit the free throw then stole the inbounds pass and hit the shot and got fouled again. He hit that free throw and stole the inbounds pass again. This time the other team was smart enough not to foul him. That scenario right there, my Phi Delt brothers and sweethearts, is how you can score 8 points in less than two seconds of a basketball game. I am so glad I have many fond memories of my family. I still think of my granddad and grandma every day of my life. They were and still are a pretty powerful influence in my life.

Beta Nu is having a membership decline that must be fixed. Emir and PNP Greg Sumpter compiled an idea that he has hashed out and presented to the active brothers. The **Beta Nu Adventure Club** is the idea and is in its infancy. Greg and the brothers have come up with several day or weekend activities to promote brotherhood and have a great time in the process. Some of the activities are as simple as attending existing events at other chapters. This will hopefully help get our membership numbers headed in the right direction. The question that always comes up from prospective mem-

bers is, "What do you guys do?" The Beta Nu Adventure Club can add a needed spice to the normal answer. Time will tell its effectiveness. I have heard and truly believe that **if you do nothing, you will get nothing**. Unfortunately we can prove that phrase to be true.

Now that the New Year is upon us, we look forward to what it brings. We hope and pray that it was better than last year. We hope and pray for safety and health to our family and friends. We hope and pray for our great nation. We hope and pray for peace and prosperity to the world (well, maybe not all countries).

Many chapters have a special night set aside to honor our sweethearts. Please take your sweetheart to one of these dinners or better yet have your chapter host a Sweetheart Dinner. **We LOVE our ladies**, right brothers? We show that we love them all year long, but brothers we need to step up our game in February.

I am proud to be a Phi Delt and hope to see you soon. Hug a brother and tell your sweetheart that you love her every single day.

### Hello From The Sweetheart By Diana Dull

Hello from the National Sweetheart, better known as "the girlfriend". National Sweetheart Tour 2012(13) continues! As I write this, a new

year has began. I do not make resolutions so I just strive to be better in the coming year. As I reflect over the past year I am hard pressed to find any regrets but I am overflowing with joys and blessings. The Lord has been good to me and my family and I am sure that many more good things are in store for us in 2013.

By the time you read this, we will have had a busy month. I hope that many of you joined us for the Chapter Chase as I am sure it will be a great time. I am so looking forward to seeing each of the chapters and getting a picture in front of them to put in my "Tour Album"!! I forgot to get a picture in front of Mississippi Alpha so if one of you could photo shop me in one and send it to me, that would be great!! LOL!! I hope to get one at every chapter this year but not sure we will be able to do all of Florida. We are going to River Ranch, so we will catch Tampa, but will have to play the other two by ear. We also will have had Donny Baker at the Chapter House for Comedy Night. I have seen him live before so I can assure you that it will be a night filled with laughter and great times!! Of course, hanging with the Phi Delta Kappa Brothers and Sisters always insures a great time no matter what chapter you are at!! It will be Super Bowl time as well before you read this and I have high hopes for my Colts!!! Super Bowl or not for them, it has been quite a "Luck"y year!!

As you read this, I hope you have made plans to join us in Winchester for the National Sweethearts Dance! So cool that we have it at

our Chapter, but even cooler that I am the National Sweetheart this year as well as outgoing Co-Chapter Sweetheart, with the lovely Barb Berry!! I guarantee a great time and even better dancing!! The Dull Ranch will be booked full, just the way I like it. If you would like to just visit sometime give me a call and the maid will get the bunkhouse ready for you. Oh wait that's me, lol!! You might even find a chocolate on your pillow and a horse in your window!!! Anything is possible.

Brothers, let me put a bug in your ear to treat your sweetheart a little extra special this month. I am sure you will earn very big returns for your efforts. (Just trying to help out all my Phi Delta Kappa Sisters!!)

We are also planning to attend Gamma Theta's Anniversary Party in February as well. So I believe that gives everyone three opportunities to hang out with the National Sweetheart in February. I hope I see you all at one of the events. As for where you will find me, I will be within arms length or at least eyesight of my husband, my love and my heart, Scott Dull. I love you Babe!! Until next time, Happy Valentines!!

## Convention 2013

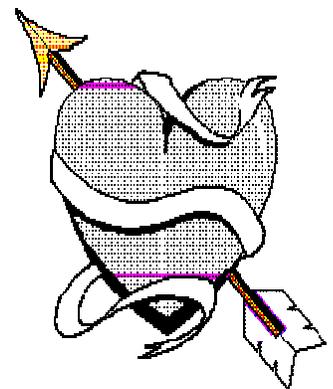

By Jim Myers

July 17<sup>th</sup> to 21<sup>st</sup> 2013 Beta Nu will hold National Convention. I have heard someone saying that Courtyard by Marriott charges for their breakfast. I do not know what Courtyard does in other cities, but in Kokomo breakfast is included in the special price of \$79.00 plus taxes rather than \$99.00 plus taxes for Double and King Rooms. They only have two King Suites available normal for \$149.00 each, but we will get them for \$99.00 plus taxes. The breakfast has biscuits and gravy, sausage, bacon, potatoes, waffles, fresh fruit, yogurt, cereals (hot or cold), eggs your way, juices and coffee.

Courtyard did state that only two breakfasts per room are included. Last summer, Courtyard had a Soccer team rent two rooms and had nine players in each. The next morning eighteen players wanted to eat a free breakfast. Therefore I was told that only two breakfasts per room are allowed.

The registration will be \$120.00 per couple and \$60.00 for single. More information about this year's National Convention will be coming soon.

I hope to see you at convention this summer. I know we will have a great time. Please sign up early. The telephone number for the Courtyard is 765-453-0800 or you may email: [courtyard-kokomosales@genhotels.com](mailto:courtyard-kokomosales@genhotels.com).
