NATIONAL PRESIDENT'S MESSAGE**ONE DOOR CLOSES.....**

Jimmy Bateman is a great Phi Delt, and that made accepting his resignation from the SEC this week very difficult. Jimmy was doing an excellent job, and contributing to the operation of our fraternity, but a new job and family matters made it difficult for him to continue. I look forward to when Jimmy returns to the National Administration as I know he will pick up right where he left off and become a major influence on our fraternity. As sad as it is to lose Jimmy, I am just as happy to announce the appointment of Chris Linsinbigler to the office of National Outer Guard. Chris is currently serving his second term as President of Florida Mu. Chris brings a passion and dedication to the SEC that will serve the Fraternity well during and long after Chris has completed his journey through the chairs. I welcome Chris and look forward to working with him and watching his growth as a National Officer.

Now rarely in any of my messages over the years have I used this space to promote a particular chapter's upcoming event, but one of our chapters is going to celebrate its 100th anniversary and it is going to be quite an event. Beta Eta in Winchester will celebrate its 100th anniversary on April 14th. Now while Beta Eta is not the first chapter to reach 100 years of continuous operation, it will be the first to celebrate it in the manner an achievement such as this should be celebrated. I would encourage anybody who is able to be in Winchester on the weekend of April 14th. It will surely become part of the lore and history of our fraternity. You really don't want to miss this.

In closing, we have weathered yet another winter, so as the beauty of spring begins to reveal herself let's all take a little time to smell the roses. This is a wonderful time of the year, so enjoy each and every day of it. Always looking forward,

Craig Brutout
National President

Brian Nelson
National Vice President

Howdy brothers and sisters, how are you? The first thing I want to do is apologize for this month's article. The last

couple of weeks have been very rough on me, I had personal problems at home (not with Candie), I started a new position at work and it has kept me busy. So I do not have any great words of wisdom to share with you. I would like to say though, that Candie and I had a wonderful time in Florida in February, thanks to everyone's hospitality. Thanks for Chris Linsinbigler from FL NU for stepping up and taking the National Outer Guard and to say to Jimmy Bateman. I will miss you.

Springtime is a wonderful time of the year. The temperature is getting warmer, the birds are singing, and it is a good time to do that dreaded spring-cleaning. Due to the long winter months, things get dirty. The windows have been shut and the furnace has been running, causing things to get dusty. Also, we track in snow that get the floors wet.

So spring is a good time for all of the chapters to get together a work day for all and to clean up their houses. Do it on a Saturday and have a cook-out at the end of the day to make it a day of fellowship. The more people who show up make it less work for all and the fellowship is good for the chapter. I know it is easier said than done. It

will be the same few people to show up and do all of the work, but shame on those who do not show up to help. It is their house too and if they like to use it, they need to help. Cleaning is everyone's responsibility. See you when I can.

Brian Nelson
National Vice President.

Sam Agresti
National Master of Ceremonies

Hello from sunny south Florida. I'm not trying to offend my northern brothers but living in south Florida has many advantages and the weather is one. I first of all want to thank Jimmy Bateman for his years of service to our SEC and I wish him the best in the future. Trying to go through the chairs from Outer Guard to President is not just time consuming, but a commitment that has to be thought out before one does it. You are away from family as well as your job (if not retired), then it is financially a burden somewhat that also must be considered. I say put some careful thought in to your decision when a chair is open.

We had a great meeting at River Ranch in February with the Florida chapters well represented. Our National President, Vice President, Outer Guard, and myself, National Master of Ceremonies, attended as well as PNP's and Emirs. Questions about SEC,20/20, brotherhood, meeting

minutes being distributed in a timely manner, and our National Magazine were discussed. The Southern District meeting in Mississippi in April was also discussed as we hope a lot of brothers attend.

I would like to remind chapter Presidents to send me a copy of the evaluation of any ritual ceremonies performed by their degree team this year so I can pick a chapter winner in the annual degree competition. This evaluation can be done by a SEC member, PNP, Emir, or any PDK chapter officer from another chapter. I need these to me by June 1st, 2012. Brother Nelson will run the Spring SEC in Danville in March so information will be forthcoming. Spring is close, so with the winter cold leaving and warmer weather coming we should all be excited for PDK and it's future. Proud to be a Phi Delt.

Hello Brothers and Sweethearts! Well spring has sprung! Here in Indiana we are all just waiting to see if our spring flowers are going to survive since we have had spring like weather in February. Since we have to submit our articles a month earlier so that they can be to you on time, at this point I really don't know what we will have.

If Mother Nature wreaks havoc on our perennials; we'll go out and replace them with some annuals for a quick fix. That way the yard will still look good for this year. Only that's just a temporary fix but won't solve the long term landscape issue the weather has presented to us. We will still have to go out and replace the perennials so that we have that strong base to our flower beds for many years to come.

We've had some chapters go through the same thing, and some that need to, only it isn't the weather that wreaked havoc on the chapters, it was more like time and neglect. The Charter members were the gardeners who planted and nurtured the chapter and left it in our hands to grow it as we see fit. As the caretakers of this garden of Brotherhood, it is entirely up to each individual chapter to choose how large or small we grow as a chapter. It's your choice, whether its building your chapter or work-

ing on your yard. At some point you have to make a choice. You can either continue to sit on your porch or bar stool and wish, or put down your beer and get up off your butt and do something about it!

PNP Earl Landrum had used the saying "If it is to be. It's up to me" has never been truer today than when he coined it. But words with no actions are just slogans that go by the wayside. As chapters with no action will someday go by the wayside. The choice is entirely up to you!

"How will my actions today reflect on our fraternity tomorrow?"

Year End and New Beginnings

National Inner Guard**

Greetings Brothers and Sweethearts,

A quick update.. Devon Jackson, my grandson, is the Indiana Wrestling State Champion at 138 lbs. Thank you to my PDK brothers who gave us all the kind words and congratulatory support one could hope for. You are all great people.

I also want to extend my thanks to Florida Alpha Lambda Chapter for getting us through our sweetheart dinner and dance. For the first time, we had a tie in our balloting and

needed a second crown. A quick call to PNS Stephanie Smurr, and tiaras were on their way. Hopefully we will be able to return a favor for you guys sometime.

We recently received some unhappy news on the national level. Brother Jim Bateman decided to resign his position as a national officer. I was sorry to hear this. I personally have a lot of respect for Jim and hope things change and he is able to find his way back to the national offices in the not so distant future. I know we will still get to see him around the Phi Deltas. It is still important to him. Brother you will be missed.

Chapter Presidents, I need to hear from you on the national endeavor. Do you have anything ready to go yet? The date is rapidly approaching. Please contact me or Brother Brutout on this subject soon.

Winchester Chapter will be celebrating our hundredth anniversary April 14th with a dinner and dance. Our annual awards and some memorabilia from Beta Eta's past will be a part of the day's events. We are planning to perform the Founder's Day Ritual in the afternoon and have a group picture taken on the square downtown. All are welcome. Come join us for our celebration. It will be a good day for Phi Delta Kappa

Until next time,
Jeff Woolf

Gregory Trombly
National Outer Guard

Hello from MS ALPHA THE Hospitality Chapter. I would like to thank all my brothers at Florida NU who made this year's River Ranch such a success! The history of River Ranch is a little obscure, but everyone agreed it's been going on for over 30 years. Nestled on 1,700 beautiful acres in Central Florida, you return to the days of Old Florida when the state was home to cowboys and cattle ranchers at this authentic "Dude Ranch". It offers beautiful flora and fauna a relaxing place to hold a spectacular brotherhood event.

Florida NU has done a great job in bringing brotherhood to the Florida Chapters, as well as brothers from other chapters. This year had good attendance. National Officers in attendance were President Craig Brutout, Vice President Brian Nelson, Master of Ceremonies Sam Agresti, Secretary-Treasurer Jim Cressman, and Outer Guard Greg Trombly. Many Past National Presidents and Emirs were also in attendance. The meeting ran long, but it did set out guidelines for the next River Ranch. Florida NU, MU, and Alpha Lambda did put out a name for the next Outer Guard. Chris Linsinbigler was brought up stating he has done a lot for Florida NU. His dedication and hard work would be an asset for the National Phi Delta Kappa.

Florida MU Sam Agresti and Jerry Johnson said they have been thinking outside the box, bringing in new ideas for their chapter rentals, drawing in new members,

and having true brotherhood. Our President Craig has said get involved in your chapter and take a road trip to another chapter; it's a rewarding experience. And so it was, the fellowship and the brotherhood that I experienced at River Ranch have given me a better understanding of Phi Delta Kappa! Remember if it is to be, it is up to me! Proud to be a Phi Delta!

Hello from Cracker Country
By David Rieker

Hello again from cracker country. Last Wednesday we had a visit from our national president, Craig Brutout, and he briefly told us about the state of our fraternity. One of the topics was about our overall P.D.K. growth. Turns out our national overall membership is pushing 1000 strong. That's really good news! For those of us who can't attend our national conventions, we appreciate and look forward to these visits. Thanks for catching us up, Craig.

Did you hear about a couple of our crackers down here? Well, we have problems here that many of you are not aware of. Seems that Clem and Zeak loved to go duck-hunting. Yep, trouble was that quite often they'd go to the lake where the ducks were and shoot a duck and it would fall into the lake and their hunting dog would take off and swim out to get the duck and before the dog could get back to shore, a gator would get the dog. Well it cut into their duck hunting a lot.

Zeak said "let's fergit bout a dog, I'll swim out to git the ducks." But Clem said "no, them gators don't know no difference from a man or hound." So they gave up hunting until one day Clem heard about a dog over in the next county that could actually walk on water. So he went over and saw the dog actually do it. So he bought the dog and brought it home. He went over to Zeak's with the dog, but he didn't say anything to Zeak about the dog's ability. Well, they spent the

day hunting and each time they shot a duck the dog took off from shore and ran right out on top of the water to bring in the duck. Zeak never said a word all day. Finally, on their way home Clem said, "I reckon you didn't see nothing different bout my hound dog Zeak?" Zeak said, "Reckon I did , Clem. That dam hound dog of your'n kain't swim!"

Now for some fiction and fact from the Phi Delt Almanac. Turns out that a recent study by some doctors found that a foot problem has developed down here in cracker country. So a panel of Phi Delt's were selected to find the answer. Well, after weeks of research we determined that many Florida Crackers had discovered that the big toe was causing holes in their socks, so they quit wearing socks. So then their shoes were causing blisters. And you know the rest. So, be well and full of he%\$#/ Cracker boy signing off. Dave Rieker.

National Sweetheart
Karen Williams
