can reduce the amount of arthritis pain in your knees if you have it? I mean, when scientists tell us that our body can feel up to 10 years younger from exercising three times a week, why don't we do it?

What I find encouraging is that there are changes that can be made today; simple changes that can have a huge impact on our overall health, without having to enter into some rigorous body building routine.

The best thing you can do is educate yourself, and talk to your doctor about your health. Develop a health plan that fits into your life, and make sure you are taking the steps needed to maintain your physical and mental health in their optimum states.

As PDK brothers, we can help each other achieve some of these goals. Get a work out buddy, or focus some of your chapter activities around health and fitness; maybe a chapter hike, or a walk-a-thon to help raise money for a charity. Some of the new agility course events, like Tough Mudder, or the Spartan events seem like a lot of fun, particularly for a group of friends (or PDK brothers and their sweethearts!). Its never too late to start doing something to improve your health... the longer we're around, the more fun and fellowship we can share!

live simply
laugh often
love deeply

Hello to all my PDK brothers and their sweethearts!

Much of our content has been focused on our upcoming 109th National Convention being hosted by Gamma Theta in Plainfield, Indiana this year! If you have never been to convention, or its been a while, I urge you to go this year! Having been to many myself, I can tell you that there is much fun and brotherhood to be experienced at a PDK National Convention!

I want to take a moment to remember the brothers we have lost from our fraternity recently. As we all get older, we become more aware of our own health and mortality; we have more aches and pains when we wake up than we had when we went to bed, our eyesight begins to give us trouble, and we see our family and friends getting older as well.

Well, June happens to be Men's Health Month. Life keeps me busy enough that I don't usually think about my health until its not as great as it should be. But just *thinking* about our health isn't enough. We must take action in order to see changes, knowing ultimately that improved health can lead to increased longevity and a more fulfilled life.

Did you know that carrying even as little as 30 pounds of extra weight can cause testosterone levels to be the same as a man who is 10 years older? Or that increasing the strength of your quads in your legs

NATIONAL PRESIDENT'S MESSAGE

Hello Brothers and Sweethearts!

Here we are just six weeks till convention. I hope you've already sent in your registration so our Brothers at Gamma Theta have an accurate count to ensure everyone has a great time!

We have an opportunity this year with the convention being in Danville to have every Chapter represented, I know all of our southern Chapters will be represented, so that leaves it up to all of the northern to put away all of the excuses and send at least one Brother to be present.

We are a Fraternity not thirteen separate clubs. Each Chapter should be discussing at their meetings the upcoming convention especially purposed changes to the National Constitution, selecting their delegates, and deciding on their Chapters stance on each issue. Our Fraternity was set up as a democracy, it only works in the best interest of all of our Brothers if all Chapters are represented. Show up, stand up and let your Chapters voice be heard! The only way the Brothers can make well educated decisions on the floor is with you there, with your input on each and every issue as to how they affect your Chapter and the Fraternity as a whole. Only together as Brothers can we move forward through the next 100 years and beyond.

Proud to be a Phi Delt? It has to be more than just words, It has to be shown by our actions! A Proud Phi Delt is there for his Brothers, Chapter, and Fraternity! He is at as many Chapter meeting as he can attend, at Convention, and supports his Chapter by attend as many activities as possible. Only then should the words "Proud to be a Phi Delt" utter from his lips.

Please don't misconstrue my point here, a lot of our Brothers are just unable to attend due to work schedules, but they support the activities at the Chapter house. It's our Brothers who leave right before the meeting or just happen to show up just after it ended.

Be there for your Brothers, be "Proud to be a Phi Delt"

THE S.E.C. SPEAKS

National Vice President

Jeff Woolf

Greetings Brothers and Sweethearts, I have to say that this year's Chapter Chase was a great success. Each chapter that we visited greeted us with smiles and brotherhood. I expected no less. I have come to learn that, if nothing else, Phi Delta Kappa brotherhood is universal.

We enjoyed some new traveling companions this year from Danville. We also picked a couple of people up in LaPorte this year who followed us up to Michigan City. I hope they enjoyed it as much as we enjoyed having them along.

I can only hope that this new tradition can stick around long enough that people will be remembering the Chapter Chase as I remember the old traveling bowling league. Try to join us next year and make yourself some Phi Delta Kappa memories.

A large topic of discussion at this Spring's SEC meeting was the Relief Association. This debate has been ongoing for as long as I can remember. I would really enjoy seeing this issue put to bed this year. I believe that not one of us as Phi Delt brothers disagree with the premises of the relief association. The disagreement comes from the way

the funds are collected. It is theoretically an equal burden on everyone by charging each chapter by membership, but a much greater burden on the larger membership chapters to collect from each member. It is easier to contact 20 members than it is to connect with 120.

There are a couple of ideas on a different way to fund the Relief Association. Both are basically good ideas, but may need to be tweaked to arrive at a workable solution. If you would like information on the Relief Association or the ideas to re-invent it, contact a national officer or trustee. They have heard the plans.

With convention around the corner, I will go ahead and announce that I am running for the office of National President. I would appreciate your support in this endeavor.

*Until Next Time,
Fraternally
Jeff Woolf*

Mississippi Alpha had a very busy month of May starting with our famous crawfish boil and chicken drop on the 2nd of May then it was Mothers Day Breakfast on the 9th of May followed by a Corn beef dinner on the 10th.

The ladies are offering a slab of ribs for Memorial Day. Memorial Day events are being planned now! You couple that with Steak night every Saturday and open Sunday for race day or whatever, with someone always cooking the mystery meal. Our Club room manager Jody is putting out the chapter news letter and a schedule of events; she is keeping everyone informed and up to date.

On May 3rd Past National President Craig Brutout made a chapter visit he stayed 4 days we thought he would never leave! However we were blessed that he enlightened our officers of his vast knowledge of Phi Delta Kappa organization. Our chapters learned very much from his experiences. It is through chapter visits that we can better our National organization and our local chapters. Remember you are always welcome at Ms Alpha!

The busy month of May is finally over Danville SEC meeting and the chapter chase went well. News from up North, Dave Reno Phi Delta of the year at Beta Eta in Winchester.

Butch and Judy Marshall celebrating their 50th wedding anniversary, congratulations! It was good to see everyone again.

The 60th Annual Southern District hosted by FI MU went well also. It started off right on time with 14 members present. The meeting opened by Ritual and we discussed the relief association and how to get all the chapters to participate for the betterment of our great Fraternity! Talked about River Ranch and not being able to use the facili-

ties for next year. It was suggested to have each chapter to host the event at each chapter in rotation, and supporting their local area chapterhouse or resort nearby. It was suggested that MS Alpha would be added to the rotation if MS Alpha would do it, I said I think we would like to and will bring it up at our next meeting. Our chapter agreed to support Brother Ed Nault for Sergeant at arms and myself for National Vice President at the 109th Annual PDK National Convention at Gamma Theta in Danville In.

Bid for 2016 Southern District meeting, it was suggested that MS Alpha host the event, I said I would ask my chapter. We discussed a few other things and then a motion was made adjourn. We then had some brotherhood before returning to the Hotel to get ready for the dinner. On the right side of Florida Mu door was a duck nesting in the corner. If they all hatch it could double their membership!

The reception dinner went very well the cook was the newest member of Florida Nu, wearing the biggest PDK shirt I have ever seen. Florida Mu had a great turn out and I met new brothers and sisters I have not met before. The brotherhood went on into the night. I soon said my goodbyes and upon leaving I looked at mother duck sitting on here nest by the door thinking I hope they don't have duck on the menu when I return for a visit!

Convention time is fast approaching and I asked all National Officers who have gone to a chapter ritual send me the evaluation form. So we can award a chapter at convention. Our President Chris Parks has sent in two of them.

Jim Cressman is in transition of turning things over to our new Secretary/Treasurer, I helped him move some boxes and he had a very organized office, things were neat as a pin. Ms Patty has big plans for that room now. Or I should say she has big plans for Jim and that room. Instead of PDK INC. It's Jim Remodeling Inc. Good luck and thanks for your many year of being a great Phi Delta Kappa.

Hello Warm Weather!

Hello brothers and sisters! The warm weather has made its way north, finally. This gets us outside and into the warm sunshine for many fun and some tedious tasks. I have been mowing my yard since the middle April. The rain makes the flowers and their nasty cousins the weeds grow and grow. Too bad the warm weather doesn't make the size of our brotherhood grow as easy.

Brothers we need to grow in many of the Chapters. President Parks told us last month that PDK was an easy sale. It is time to find out if that is true in some of the lower populous Chapters. Get an idea and give it try.

The SEC meeting went rather well. The discussion on the Relief Association is all over the map at this time. I doubt that we will come to an agreement in time to vote on it this year. That doesn't mean we are giving up it just means that more work needs to be done to reach a middle ground that is palatable to all involved. We will get this done!

The Chapter Chase was a blast again. Thank you to all the participants in the Chapter Chase. It was nice to have some new faces in the crowd. I think one of the best things from the day was that some brothers from LaPorte made their way to Michigan City for the last leg of the day's journey. As the band Journey sings "Don't Stop Believing, hold on to that feeling" of brotherhood that is.

What a great weekend! Brother Earl and Gil put on a fine ceremony at the birthplace of Phi Delta Kappa in Marion Indiana at the county courthouse. Hopefully a picture of the marker will be in this magazine. It is still amazing to me that seven youngsters started a Fraternity that is still around over 100 years from when it began. There have been a lot of great men that have been and still are members of this great Fraternity.

The National Council is in clear sight. The brothers and their sweethearts from Danville have all their ducks in a row and are ready to host another fabulous Convention. Please get your reservations in ASAP so that our Gamma Theta brothers don't have to make adjustments at the last minute. I sure am looking forward to another convention.

I would also like to welcome Brother Todd Gullet to the SEC. I have been blessed to get to know Todd very well over the last several years. I know he will do a great job. Welcome brother!

Until next time remember to tell your loved ones every day that you love them. Hug a brother and get involved. Proud to be a Phi Delta Kappa!

Proud to be a Phi Delta Kappa!

Hello from the Flagship of the South,

Here it June already. I can't believe another year has passed since last year's National Convention. I hope everybody has made their plans to attend this year's National Council Meetings at Convention being hosted by Gamma Theta in Danville, Indiana.

Can't wait to see all of my old friends and the opportunity to make new ones. Plus the PRIVILEGE to serve this fine fraternity. I would like to take this time to thank everybody for their support as I continue to make my journey through the National Chairs. It has truly been a HONOR to serve this Fraternity as well as EACH and every member. With your support I will continue to learn and serve OUR fraternity. I am truly blessed. Thank - You.

Also I would like to take this time to personally thank Jim Cressman, for serving as our National Secretary/Treasurer for the last 12 years. Thank You Jim you leave a very large legacy to follow.

Back in May we at Florida Nu took a BROAD TRIP to visit our Brothers at Florida Alpha Lambda in Tampa, for their business meeting. Lots of Brotherhood was shared as well as a few stories, some of em are actually true, lol. Thank You Florida Alpha Lambda. We must do more of it.

We had a great time, not only with the Brothers of Florida Alpha Lambda, but traveling with a few Brothers from Florida Mu and MY Brothers from Florida Nu. You learn a lot about people when you get the chance to travel with them.

Don't forget your S.E.C. 20/20 tickets. There's still time to get yours. We have to help our National Outer Guard, Todd Gullet, get his feet wet. So to speak. Lots of new winners this year. But you can't win it if you are not in it.

See you next month in Danville

*Till Next Time,
Proud to be a Phi Delt,
Chris*

Dear Sweethearts and Brothers,
A warm wish that all are feeling and doing well.

Just returned from the Spring SEC meeting and Chapter Chase with fellow Floridians Jim Cressman, Chip Reeder, and Chris Lisinbigler. Once again the hospitality was outstanding, and it is always nice to see everyone again. Brother Chip Reeder, our navigator, thank you for making the trip, using your vehicle, and chauffeuring us around, always a pleasure traveling with these gentlemen.

Leaving Florida, we drove through to Richmond Ky., leaving the short drive to Danville for Friday. Well Chip's vehicle can not go to Indiana without stopping in Winchester, so we added another leg to the Chase and spent some quality time with our Brothers in Beta Eta.

They were preparing for a benefit to help a Brother get through a tough time. My understanding is all went extremely well. What a feeling seeing Brothers working together to help others, Brother Speedy, God bless and be well, I might take you up on that turkey hunt next year.

Thanks to Kenny Collins for the fine venison steak dinner and putting me up for the night and its was good to my friend Jan Keener again, when are you coming south and do some more fishing? A thank you to

Danville and all Chapters involved in this year's Chase. A big thank you to Jeff Woolf, once again a good time was had by all.

For the 2nd year all SEC officers were on the Chase, a really wonderful way of seeing old friends, and might have made a few new ones along the way. Really enjoyed time by the fire in Danville, where I had a chance to talk with some new Brothers, a father and son, who were Proud to be a part of our Great Fraternity.

A special THANK YOU to PNP Earl Landrum and all from Marion for the presentation, done with the utmost Dignity it deserves, at the Courthouse steps, always a highlight of the trip.

Like all SEC officers, we wonder if the articles we write each month, ever make a Brother think about what we are trying to say. Well to President Chris Parks, I'd like to let you know that one of my Brothers at FL/NU mentioned your article in April's magazine to me. He talked about the DMOs and said how important it is to get and stay involved in what's happening in the Chapters and to get the new members involved. Like you mentioned, Chris, "work together for the betterment of the Fraternity". Its good to know and hear that members are reading our articles, and giving them something to ponder. Until next month.

Welcome Brothers and Sisters. It is finally getting to be the time of the year when the weather is finally warming up and we can look forward to spending time with family and friends. It is also a good time to travel to other Chapters and meet new Brothers.

We had a great time during the Chapter Chase, meeting the Brothers from the South and traveling for 2 days with them was a real treat. We all had a good time at all the Chapters where we were welcomed with a cold drink and some warm food. I want to thank everyone that was there to greet us and welcome us.

I am looking forward to this year's National Convention. If you have not been to a Convention, it is something that you will never forget. The Brotherhood and activities that take place there are one of a kind. There will be a BBQ, with skits, Awards Banquet and President's Ball. Check your calendars and try to attend.

I would like to Thank everyone from Beta Eta that helped with the Bob Speed Benefit. It took a lot of time and people to pull off an event of that caliber. We raised over \$7000 for Bob. Great job ladies and gentlemen.

Our Monthly Scholarship Breakfast is in full swing. In the past 2 months we have broken previous records. I appreciate all the hard work it takes to cook, deliver and clean up the mess afterwards. I believe last month we served 180 breakfasts. If I remember right, we will be giving away 6 Scholarships this year. Congratulations to the Recipients.

sweet heart Corner

Candie Nelson
2014 PDK
NATIONAL
SWEETHEART

Hello Everyone

Happy Spring, If you've seen it that is. Here in Indiana we see signs of spring for a day or two then we see that white stuff again. I detest cold weather! I am sorry to have missed a few articles. It has be a busy spring for me.

I have seen many of you this spring. We visited Winchester for the Sweetheart Dinner and had a fabulous time. A great bunch of people over there and when you add my Kokomo friends and friends from Danville and the national officers from the south, it really was a great time. They know how to treat a sweetheart!

Next we stopped in to visit Nancy Taylor before heading to River Ranch. She was a great hostess. I really didn't want to leave. Stephanie Smurr and Sharon Musser and a few other Tampa ladies came to visit and hang out when the guys went to their meeting. We laughed so hard at times I felt I would pass out. I love those Tampa ladies. I was sorry Kay Bates was under the weather and I didn't get to see her this trip!

Then we were off to River Ranch and as always it was a blast. They always have fun activities planned and this time was no different. I ventured off to the petting zoo with a few of the ladies, where Barbie took plenty of hilarious pictures of all of us doing crazy and wild things ;) I am enjoying my charms, by the way. Thank you everyone! Mississippi found another unique idea for charms. They gave me a B and an N (This was for Beta Nu) or (Brian Nelson) or both. I loved this idea! Thank you Greg and Mississippi Alpha!

Next it was time to go to Danville for the Spring SEC and the beginning of the chapter chase. The chase is a great experience. I hope more join us in the future. A day of never ending fun! My last engagement this spring was the Northern District in LaPorte. I met Elvia Conn during the Chapter Chase and really liked her. She hung out with me while the guys had their meeting and then we came back for wonderful steaks and Sunrise pie that her husband Shawn made (I hope I didn't mess their names up). Shawn's pie was scrumptious!

I will do my best to touch base next month! Thank you again for giving me the honor of being your National Sweetheart!
